

EARL BELL EXTENDED STAY NO. 2 ST. ROBERT, MISSOURI

The Owner desired to expand his private label extended stay and employed Integrity Engineering, Inc. to design, bid out and perform construction administration for him on a 16-unit complex, complete with laundry area. Each unit is furnished complete with full kitchen and living area, as well as a private bedroom with two queen beds.

All units are fully separated by 1-hour partitions that include special sound separation. The entire complex was constructed for less than \$68 per square foot, including a fully paved parking lot.
